

Mashudi Hamka – Calon Direktur

Saat ini beliau adalah *Information Technology Advisor* di PT MNC Kapital Indonesia Tbk.

Kelahiran di Indonesia, beliau adalah seorang ahli di bidang Teknologi Informasi dengan pengalaman 20 tahun bekerja di Jepang dan 3 tahun bekerja di Hong Kong. Beliau memiliki pengalaman selama 16 tahun memimpin teknologi informasi dan pengembangan bisnis sistem integrasi. Beliau mempunyai pengalaman selama 9 tahun sebagai *Director of Sales* di Dimension Data di Jepang, memimpin seluruh basis nasabah baik untuk lokal di Jepang maupun di pasar global dan multinasional. Selain itu beliau juga memiliki pengalaman selama 5 tahun sebagai *Regional Head of Business Development, Operations and Transition* di AXA Technology Services Asia Pacific.

Sejak tahun 2012, basis kerja beliau berlokasi di Indonesia, memimpin pendirian entitas-entitas usaha dari AXA Technology di Indonesia dan Singapore. Sebelum bergabung dengan MNC Group, beliau menjabat sebagai Presiden Direktur PT Dimension Data Indonesia, bertanggung jawab atas seluruh kegiatan operasional termasuk menjalin sinergi dalam NTT Group. Di bawah kepemimpinan beliau, Dimension Data Indonesia memperoleh kesuksesan dengan peningkatan pertumbuhan 100% pada periode enam bulan pertama di tahun 2014 dan pertumbuhan 40% di bidang teknologi dan industri sejenis.

Beliau memperoleh gelar MBA dari Temple University dan menyelesaikan program pendidikan Executive Leadership di Wharton School of Business di University of Pennsylvania, Amerika Serikat.

Candidate's Profile for The Company's Management in 2015

Mashudi Hamka – Candidate for Director position

He is currently an Information Technology Advisor of PT MNC Kapital Indonesia Tbk.

He is an Indonesian-born IT professional with 20 years of experience working in Japan and 3 years in Hong Kong. He has a combined experience of more than 16 years in managing information technology & developing systems integration business. He worked for 9 years as the Director of Sales for Dimension Data Japan managing both Global Multinational and Japanese client base and 5 years with AXA Technology Services Asia Pacific, as Regional Head of Business Development, Operations and transition.

Since early 2012, he has been based in Indonesia, in charge of setting up AXA Technology entities in both Indonesia and Singapore. Prior to joining MNC Group, he was the President Director of Dimension Data Indonesia, responsible for all operations including managing synergies within NTT group companies. Under his leadership, Dimension Data Indonesia has turned around and enjoyed a 100% growth first half of 2014 & a 40% year on year growth across technology domain and vertical industry.

He earned his MBA from Temple University and completed Executive Leadership education with Wharton School of business, University of Pennsylvania, USA.
