Jakarta, 10 Juli 2020

Lembaga Amil Zakat Nasional (Laznas) PPPA Daarul Qur'an meluncurkan kerja sama transaksi pembayaran sedekah dengan PT MNC Teknologi Nusantara melalui aplikasi SPIN (Smart Payment Indonesia). Melalui aplikasi ini, masyarakat dapat menunaikan sedekahnya menggunakan metode scan QRIS dan transfer ke akun SPIN milik Laznas PPPA Daarul Qur'an.

"Dengan bersedekah menggunakan aplikasi pembayaran SPIN, memungkinkan masyarakat untuk bersedekah kapan dan di mana saja," tutur Managing Director SPIN, Jessica Tanoesoedibjo pada hari Jumat (10/7).

"Ini merupakan ikhtiar kami dalam rangka memberikan kemudahan bagi masyarakat, sehingga masyarakat bisa beribadah juga menunaikan sedekah dari rumah dan kapan saja. Hal ini juga untuk mengurangi resiko penularan Covid-19. Karena seperti yang kita ketahui bersama, wabah telah membatasi ruang gerak masyarakat untuk menyalurkan sedekahnya secara langsung karena harus menjaga jarak," ujar Direktur Utama Laznas PPPA Daarul Qur'an, Abdul Ghofur.

Jessica menambahkan, "SPIN juga berkomitmen untuk terus menambah fitur yang dapat memudahkan dan menjawab kebutuhan masyarakat. Adanya sinergi ini diharapkan menjadi solusi bagi masyarakat agar tetap dapat bersedekah walau dalam masa pandemi. Ini salah satu cara kami mendukung program pemerintah untuk menekan penyebaran Covid-19 dengan bersedekah secara online."

Ghofur melanjutkan, saat ini lembaganya tengah melaksanakan transformasi digital. Kerjasama ini diharapkan dapat menjadi salah satu terobosan bagi Laznas PPPA Daarul Qur'an untuk masuk ke dunia digital. Apalagi, SPIN saat ini juga terus giat melakukan penambahan fitur terbaru di dalam aplikasinya.

"Jadi, ada penambahan fitur terbaru di dalam aplikasi, hal ini membuat layanan SPIN yang ditawarkan kepada masyarakat semakin lengkap. Semoga sinergi ini bisa menjadi terobosan bagi kami serta bisa bermanfaat bagi masyarakat, dan semoga semua orang bisa menjadi bagian dari golongan yang merasakan nikmatnya sedekah," harapnya.

Laznas PPPA Daarul Qur'an Partners with PT MNC Teknologi Nusantara in Alms Payment Transaction via SPIN (Smart Payment Indonesia)

Jakarta, July 10, 2020

Lembaga Amil Zakat Nasional (Laznas) PPPA Daarul Qur'an launched a joint collaboration in alms payment transactions with PT MNC Teknologi Nusantara through the SPIN (Smart Payment Indonesia) application. Through SPIN, the public can pay their alms using the QRIS scan method and transfer to the Laznas PPPA Daarul Qur'an SPIN account.

"The giving of alms through SPIN payment application allows people to give their alms whenever and wherever they are," said Jessica Tanoesoedibjo, the Managing Director of SPIN, on Friday (10/7).

"This is part of our initiative to provide convenience for the people, so that they would be able to worship and pay alms from home at any time, while also reducing the risk of the spread of Covid-19. As we all know, this pandemic has limited the ability of people to pay their alms directly, due to the need for physical distancing," explained Abdul Ghofur, the Director of Laznas PPPA Daarul Qur'an.

Jessica added, "The SPIN team is committed to continually add new features based on consumer needs to make the application more convenient to use. We hope that this collaboration will provide a solution for the people to still be able to give alms despite this pandemic. Inadvertently, it also expresses our support to the government's program to suppress the spread of Covid-19."

Ghofur mentioned that currently his institution is implementing digital transformation. This collaboration is expected to become one of the breakthroughs for Laznas PPPA Daarul Qur'an to enter the digital world. Moreover, SPIN is continuously adding new features within the application.

"By adding new features in the application, SPIN is offering a more complete set of services for the people. Hopefully, this collaboration can be a breakthrough for us and be useful for the community. We also hope that everyone can likewise take part, and experience the joys of giving alms."
