

Partnership with PT KBI, MNC Bank (BABP) Takes an Active Role in Supporting the Increase of Futures Trading Transactions

Jakarta, 9 June 2022 – PT Bank MNC Internasional Tbk (BABP) or MNC Bank, a subsidiary of PT MNC Kapital Indonesia Tbk (BCAP) under the management of MNC Group, has become the Depository and Payment Bank for Transaction Settlement for PT Kliring Berjangka Indonesia (KBI) and its members. This was realized through the signing of a cooperation agreement between MNC Bank and PT KBI.

This collaboration aims to encourage an increase in futures trading transactions through the convenience of banking services provided by MNC Bank. In addition, this collaboration is one of MNC Bank's strategic steps to increase Third Party Funds (TPF). The appointment of MNC Bank as a Depository and Payment Bank for Transaction Settlement received permission from the Commodity Futures Trading Regulatory Agency (Bappebti) last April and received a recommendation from the Financial Services Authority (OJK) in December 2021.

The activities of margin fund deposits, clearing collateral funds and transaction settlement payments will use MNC Bank's current accounts and banking services, both electronically and non-electronically. PT KBI and clearing members can take advantage of the e-Biz, cheque for non-cash transactions, and overbooking facilities from MNC Bank.

“ This collaboration is very strategic for MNC Bank because as a margin fund deposit bank, MNC Bank can accommodate funds circulating on the futures exchange and increase participation.

-Mahdan, President Director of MNC Bank

The signing of this collaboration was carried out by the President Director of MNC Bank, Mahdan, and KBI President Director, Fajar Wibhiyadi, and was attended by the representation of the Bappebti of the Ministry of Trade, on Thursday (9/6/2022).

“ This collaboration is a big part of our efforts as a Futures Clearing House in the Jakarta Futures Exchange, to continue encouraging increased transactions. With MNC Bank as a depository bank for margin funds that goes through various assessment processes at KBI, which genuinely based on prudential principles and corporate governance. We hope that in the future, MNC Bank will put forward excellent services, especially regarding the storage of margin funds that held by investors in commodity futures trading. We, as a clearing house ensure to investors that the funds are secure.

-Fajar Wibhiyadi, President Director of KBI

The collaboration between MNC Bank and PT KBI will further increase the positive results they have achieved in 2021. In 2021, TPF increased by 22.1% (yoy) to Rp 11.24 trillion from the previous amounting to Rp 9.21 trillion in 2020. This achievement is a form of increasing public trust in MNC Bank.

In commodity futures trading, KBI acts as a clearing house transaction guarantees and settlements on the Jakarta Futures Exchange (JFX). KBI's role is to ensure that all transactions are carried out in accordance with existing regulations. Currently, KBI has 72 members consisting of brokers and commodity futures traders.

Throughout 2021, PT KBI recorded a transaction volume of 9,555,097 Lots, consisting of 2,012,529 Lots for Multilateral Transactions and 7,542,568 Lots for Bilateral Transactions (SPA). This transaction experienced growth compared to 2020 with transaction volume reaching 9,446,122.4 Lots, consisting of 1,678,267 Multilateral Transaction Lots and 7,767,855.4 Lots for SPA.

Meanwhile, nationally, Bappebti recorded the total value of commodity futures trading transactions from January to November 2021 reaching Rp 177.94 trillion. The value of these trade transactions grew by 9.3% from last year. This figure comes from commodity futures trading contracts which reached 12.3 million Lots. This number increased by 2.18% from the previous year.
