

## Expanding Reach, TASPEN Collaborates with MNC Bank for Benefit Payments through MotionBanking

**Jakarta, 1 July 2022** – PT TASPEN (Persero) (TASPEN) cooperates with PT Bank MNC Internasional Tbk (BABP or MNC Bank) to become a digital banking service provider to manage Pension Beneficiary Accounts (RPP). This was realized through the Memorandum of Understanding signing between MNC Bank and TASPEN, represented by the President Director of MNC Bank, Mahdan, and the President Director of TASPEN, A.N.S. Kosasih, and attended by the CTO of MNC Group, Yudi Hamka, and Operations Director of TASPEN, Ariyandi.

MNC Bank and TASPEN reached an agreement to synergize in utilizing the potential of their resources to prepare everything related to the cooperation in the context of paying for Old-Age Savings (THT), Pension Security, Work Accident Insurance (JKK) and Death Insurance (JKM) for State Civil Apparatus (ASN) through the digital banking service, MotionBanking.

“ TASPEN as a social security management company, is committed to continuously improving services and facilities for all ASN in Indonesia. The signing of this collaboration is TASPEN's effort to improve the quality of excellent service to TASPEN's participants in terms of paying for Old-Age Savings, Pension Security, Work Accident Insurance, and Death Insurance through digital banking services. TASPEN always strives to be adaptive to technological developments in order to create the best innovative products and services for active and retired ASNs.

TASPEN continues to innovate in providing services, including through the TASPEN PESONA (Response Reliable Save Retirees with Corona Free Service) program to ensure that services continue to run optimally. The TASPEN PESONA program provides services by utilizing information technology based on digital transformation, which consists of e-Claim, TASPEN-Care (T-Care) and Authentication via smartphones.

The trust given by TASPEN was appreciated by the President Director of MNC Bank, Mahdan.

“ We are optimistic that this synergy will be the first step in preparing for the collaboration between MNC Bank and TASPEN to provide easiness, convenience, and other positive impacts to TASPEN program participants through MotionBanking’s services and features.

**-Mahdan, President Director of MNC Bank**

The services and features that MotionBanking has now and in the future will be an added value for TASPEN program participants. To open a MotionBanking account, customers only need to prepare their Electronic Identity Card (e-KTP) and a selfie. With MotionBanking’s e-KYC technology, opening an account only takes five minutes.

In addition to the convenience of opening an account with digital onboarding, MotionBanking is also equipped with many features that provide the best experience for its users, such as transfers, biometric logins, e-wallet top-ups, payment of various bills and credit cards, credit card installment with 0% interest, online loan applications, and most recently launched, opening online time deposits. In addition, the QRIS and cash withdrawal and deposit features at mini-markets are also in the final stages of being added to the MotionBanking application. Through this series of features, participants will find it easier to manage their finances.

PT TASPEN (Persero) or Civil Service Savings and Insurance Fund is an Indonesian State-Owned Enterprise engaged in old-age savings insurance and pension funds for State Civil Apparatus (ASN) and State Officials. TASPEN currently has several products and services, namely the Work Accident Insurance Program (JKK), Old-Age Savings Program (THT), Pension Security Program and Death Insurance Program (JKM).
