This collaboration aims to make it easier for MNC Bank customers to register for BPJAMSOSTEK services and pay contributions through MotionBanking. Furthermore, MotionBanking will also become a preferred bank in Lapak Asik (Service Without Physical Contact) for Old Age Security payment claims.

In addition, MNC Bank can further collaborate with Perisai (Indonesian Social Security Activator) to act as MotionBanking's customer acquisition agents. Both parties will also actively cooperate in the products and services promotion.

In terms of credit, debtors of Rural Banks (BPR) and Venture Capitals whose sources of funds are obtained from MNC Bank (channeling) will obtain BPJAMSOSTEK membership facilities, especially Work Accident Insurance (JKK) and Death Insurance (JKM). BPJAMSOSTEK will also support MNC Bank in terms of scoring prospective debtors for lending.

"

This collaboration with BPJAMSOSTEK will have a positive impact on MNC Bank because it can significantly encourage business expansion and growth of MotionBanking customers. MNC Bank through MotionBanking also plays a role in making it easier for people to access BPJAMSOSTEK services, especially in terms of registration, payment of contributions and disbursement of Old Age Security.

-Rita Montagna, Director of MNC Bank

Today's signing marks the start of an important collaboration between MNC Bank, MNC Teknologi Nusantara, and BPJAMSOSTEK, which will continue to support each other in various aspects, developing the best features and services for mutual benefit. Our media group is also believed to play a significant role in increasing awareness and encouraging financial inclusion. Thus, it is expected that more and more Indonesian workers will receive employment social security protection more easily and conveniently, which will also have a significant impact in terms of user acquisition and transaction volume of our financial services, leading to an increased national welfare.

-Yudi Hamka, CEO of BCAP

"

JMO in the future will become an application that is used at all times by BPJAMSOSTEK participants, not only when they want to claim program benefits, register and pay, find information and complaints, or or balance checking which are core services, but as One Access to Digital System which will provide additional benefits in the form of Wealth Planning and Loyalty Program features to BPJAMSOSTEK participants.

About motion@banking

The digital banking services by MNC Bank, MotionBanking offers a complete banking experience that allows users to perform all transactions from opening accounts, time deposits, transfers, digital lending to online payments in real-time from a smartphone. Since its inception, MotionBanking has been actively working with various partners such as post office and mini-markets as cash deposit and withdrawal agents and the Ministry of Cooperatives and Small and Medium Enterprises of the Republic of Indonesia to reach out to unbanked and underbanked micro, small and medium enterprises.

MotionBanking added an Online Time Deposit feature, allowing customers with a minimum of Rp200,000 to select various maturity options with attractive interest rates. In addition, customers can also use the QRIS feature for offline payments, as well as the integration of e-money features from MotionPay.

-Anggoro Eko Cahyo, President Director of BPJAMSOSTEK

About motion@pay

MotionPay offers e-money, an e-wallet (for payments using debit cards and credit cards), and digital remittance services, which are equipped with the QRIS feature and MotionPoints, a loyalty program that is linked to all MNC Group's ecosystem.

MotionPay's transaction volumes have increased significantly as a result of partnerships with well-known companies such as Traveloka, Sociolla, Ruang Guru, Koinworks, Ternak Uang, Alodokter, The Westin Hotel, Cordela Hotel, BAZNAS, Xiaomi, redBus, Cakap, and MNC Group's vast ecosystem.

BPJS Ketenagakerjaan or commonly called BPJAMSOSTEK is a public legal entity that organizes 5 employment social security programs, namely Work Accident Insurance (JKK), Death Insurance (JKM), Old Age Insurance (JHT), Pension Insurance (JP) and Job Loss Insurance (JKP).

BPJAMSOSTEK adheres to a customer centric culture. which means that we are committed to always prioritizing optimal service to all participants, starting from information, registration to become participants, up to when participants receive the benefits of the employment social security program in order to create the best customer experience. To facilitate all of this,

we present an application for workers, namely Jamsostek Mobile (JMO), which is a digital solution with a variety of more complete features and an easier and faster process.

Through this collaboration, with the integration between the JMO application and the MotionPay application and also banking services by MNC Bank, it is hoped that it will make it easier for all participants and Indonesian workers who have not been protected to be able to easily register and pay contributions so as to lead to protected and prosperous Indonesian workers.
