

Latest Update! motion banking by MNC Bank Releases 3 New Features

Jakarta, 17 April 2023 - In line with the advancement of digital banking services in Indonesia, the dominating millennial generation demands an easy, inclusive, and modern app. Therefore, **PT Bank MNC Internasional Tbk (IDX: BABP) or MNC Bank**, a subsidiary of PT MNC Kapital Indonesia Tbk (IDX: BCAP), under the ecosystem of MNC Group (IDX: BHIT) continues to be adaptive in the midst of industry competition and further enriches its MotionBanking's features by releasing 3 (three) new features, namely:

1. Apply Online Credit Card for its customers through MotionBanking

Customers are able to apply for credit card facilities hassle-free because this feature can be done within MotionBanking app. In addition, credit card customers can also apply for installments, request a credit limit increase, e-statement/ transaction history, as well as the latest information about MNC Bank's attractive promotions.

2. Split Bill menu for transfer requests between MotionBanking accounts

This feature allows customers to submit fund transfer requests easily within MotionBanking app. Simply by selecting the "Transfer" menu, "Split Bill" option, create a request for funds, fill in the account number that will receive the request, the nominal amount to the message you want to send.

3. Fund transfer using the registered phone number to fellow MotionBanking accounts

Customers only need to fill the recipient's phone number (no account number needed) in making fund transfers between MotionBanking accounts.

The upgrading of these MotionBanking features as MNC Bank's commitment to provide a modern digital banking service. In addition, MotionBanking also released an account opening feature for pensions called Tabungan Pensiun Motion, that allows State Civil Apparatus (ASN) to make pension withdrawal transactions without being physically present.

“

All those conveniences further complement MotionBanking services in providing a modern and comfortable banking transaction experience. MNC Bank constantly innovates and improves to make its products and services survive and win the digital bank competition in Indonesia.

-Rita Montagna, President Director of MNC Bank

”

MNC Bank continues to enrich MotionBanking features and services. In 2022, various feature developments have been carried out, including online time deposit opening, BI-Fast transfer, cash deposit and withdrawal services at Indomaret and Pos Indonesia networks, as well as the ability to create more than 1 (one) savings account. These features complement the existing MotionBanking features, such as digital and e-commerce transactions, real-time transfers, biometric login, e-wallet top up and various bills payment.
