### Rebranding FLASH, a Next-Generation Payment Gateway

BCAP officially introduced FLASH, the rebranded evolution of Flash Mobile, as a modern digital payment gateway platform. FLASH offers a faster, more accessible, and user-friendly solution for merchants, enabling instant online onboarding via <https://superflash.co/>, "in a FLASH" without lengthy administrative processes.

Key features of FLASH include multi-channel payment processing (credit cards, debit cards, virtual accounts, e-wallets, and QRIS); swift and transparent settlements; internationally certified transaction security; and flexible API integration. With FLASH, BCAP reaffirms its commitment to advancing financial inclusion and empowering businesses of all sizes in Indonesia's digital economy.

“

BCAP's inclusion in the FTSE Global Equity Index under the Micro-Cap category validates our solid fundamentals and enhances our visibility among global investors. We continue to reinforce our position in Indonesia's digital financial sector, including through competitive and relevant solutions such as FLASH. MNC Kapital will remain focused on developing integrated digital financial services, with MotionBank at the core as a super app offering a comprehensive financial ecosystem for our customers. With this strategy, we are confident that BCAP will sustain significant growth and consistently deliver long-term value to all stakeholders.

”

- Yudi Hamka, President Director of MNC Kapital
